STOMPERS: Pre-School Dance (Ages 2-4 with Grown-Up)

A joyful introduction to movement and music for our youngest dancers and their grown-ups! This playful class focuses on creative expression, coordination, and rhythm through imaginative dance sequences and songs. A perfect bonding activity that builds confidence, balance, and basic dance skills in a fun, supportive environment.

Creative Dance (Ages 3-4, Independent)

For young dancers ready to move on their own! Creative Dance offers an engaging mix of foundational ballet with energetic, modern elements. Through storytelling, music, and guided exploration, dancers build coordination, musicality, and self-expression. A fantastic first step into the world of dance—without a grown-up, but with plenty of fun!

You can book a **STOMPERS: Pre-School Dance** class here:

For **Creative Dance** classes, please follow our [standard booking procedure](#).
